INTERNSHIP OFFER LETTER

To:

Kartik Sharma

Jaipur, Rajasthan, India

Date: April 1, 2026

Dear Kartik Sharma,

We are pleased to offer you the position of Frontend Developer Intern at Sploink. This internship will be conducted on a remote basis.

Your internship will commence on April 1, 2026, and will continue for a duration of 3 months, unless extended or terminated earlier in accordance with company policies.

During your internship, your key responsibilities will include:

- React.js frontend development
- UI architecture design and implementation
- API integration
- Development of responsive web applications
- Building reusable UI components
- Working with scalable frontend architecture and project workflows
- Collaborating on live product features and performance improvements

You are expected to commit 14 hours per week to this role.

As part of your internship, you will actively contribute to live project deliverables, gaining hands-on experience in building production-level frontend systems, collaborating with the development team, and working within a real-world agile environment.

This internship is intended to provide practical industry exposure and further strengthen your technical, collaboration, and product development skills.

We look forward to your contributions and are confident that this experience will be mutually beneficial.
